Columns

Nested lists

Three levels of itemize, two of enumerate

- ▶ First level item.
 - ▶ Second level item, set in small.
 - ▶ Third level item, set in footnotesize.
 - ▶ Another second level item.
 - ▶ Back to the first level.
1. One
 - 1.1 One point one
 - 1.2 One point two
 2. Two

Sans-serif mathematics

Inline $x + y = 2z$ and $f(x) = \alpha x^2 + \beta$ use the sans family.

$$\int_0^1 f(x) dx = \frac{a+b}{2}$$

Operators like $\sin x$ and $\log n$ follow.

Frame-level specification

- ▶ Item on every slide.
- ▶ Item from the second slide.

Frame-level specification

- ▶ Item on every slide.
- ▶ Item from the second slide.
- ▶ Item from the third slide.

Actions

- ▶ Alerted on the second slide only.

Before the second slide.

Actions

- ▶ Alerted on the second slide only.
- ▶ From the second slide, alerted on the third.

On the second slide.

Actions

- ▶ Alerted on the second slide only.
- ▶ From the second slide, alerted on the third.
- ▶ From the third slide.

After the second slide.

Top-aligned breaks I

- ▶ Item one of a list that is too long for a single frame.
- ▶ Item two.
- ▶ Item three.
- ▶ Item four.
- ▶ Item five.
- ▶ Item six.
- ▶ Item seven.
- ▶ Item eight.
- ▶ Item nine.
- ▶ Item ten.
- ▶ Item eleven.
- ▶ Item twelve.
- ▶ Item thirteen.
- ▶ Item fourteen.

Top-aligned breaks II

- ▶ Item fifteen.
- ▶ Item sixteen.
- ▶ Item seventeen.
- ▶ Item eighteen.
- ▶ Item nineteen.
- ▶ Item twenty, the last one, on the second page of the frame.

Bottom-aligned breaks I

- ▶ Item one of a list that is too long for a single frame.
- ▶ Item two.
- ▶ Item three.
- ▶ Item four.
- ▶ Item five.
- ▶ Item six.
- ▶ Item seven.
- ▶ Item eight.
- ▶ Item nine.
- ▶ Item ten.
- ▶ Item eleven.
- ▶ Item twelve.
- ▶ Item thirteen.
- ▶ Item fourteen.

Bottom-aligned breaks II

- ▶ Item fifteen.
- ▶ Item sixteen.
- ▶ Item seventeen.
- ▶ Item eighteen.
- ▶ Item nineteen.
- ▶ Item twenty, the last one, on the second page of the frame.

A footnote in a column

The left column carries a
footnote^a in its text.

^aSet at the bottom of the frame,
not of the column.

The right column has none.
