3 Summary

Rounded blocks

Definition

A logo set with \logo appears on every slide.

Caution

Madrid draws its blocks with rounded corners and a shadow.

Example

The outline frame before each section shades the other sections.

Outline

1 Blocks

2 Mathematics

3 Summary

Sans Greek and bold symbols

Uppercase Greek in the sans math font: $\Gamma + \Delta = \Sigma$ and $\Omega = 2\pi$.

$$\mathbf{Ax} = \mathbf{b}, \quad \sum_{i=1}^n \mathbf{v}_i = \mathbf{0}$$

Bold vectors sit next to ordinary italic $x + y = 2z$.

Outline

1 Blocks

2 Mathematics

3 Summary

The logo, the outline frames, the rounded blocks and the sans math together give the deck its visual identity.
